Iowa FITASC Shoot

The weekend of April 28th and 29th, 2007, is the Iowa NSCA 2007 FITASC Shoot. The event is scheduled such that you can shoot EITHER Saturday OR Sunday. No need to shoot both days, unless you just want to. Squads are limited to 6 people per squad, and the FITASC event will be limited to the first 100 shooters.

The FITASC event is 100 targets on four parcours. In addition, there is a 50 target subgauge event available during the same weekend, again, over both days. For the subs, you can shoot 12, 20, 28 or 410. No limits on the sub-gauge event.

The 2007 Iowa FITASC event line up is set.

For Saturday April 28th:

- 100 FITASC Event
- 50 target small bore events

For Sunday April 29th :

- 50 target small bore events
- 100 FITASC Event
